## Especificación

| Item         | SS GAUGE 40MM | GAUGE 40MM      |
|--------------|---------------|-----------------|
| Caja         | 40mm          |                 |
| Rosca        | 1/8 BSPT      |                 |
| Escala (Bar) | 0-16          | 0-4, 0-10, 0-16 |
| Cuerpo       | Total INOX    | Carbono         |

| Item         | GAUGE 50MM      |
|--------------|-----------------|
| Caja         | 50mm            |
| Rosca        | 1/4 BSPT        |
| Escala (Bar) | 0-4, 0-10, 0-16 |
| Cuerpo       | Carbono         |

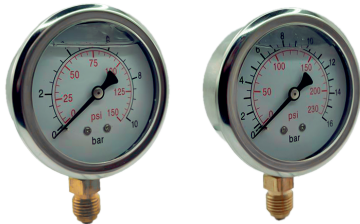

| Item         | PANEL GAUGE 40MM |
|--------------|------------------|
| Caja         | 40mm             |
| Rosca        | 1/8 BSPT         |
| Escala (Bar) | 0-4, 0-10, 0-16  |
| Cuerpo       | Carbono          |

| Item         | PANEL GAUGE 50MM |
|--------------|------------------|
| Caja         | 50mm             |
| Rosca        | 1/4 BSPT         |
| Escala (Bar) | 0-4, 0-10, 0-16  |
| Cuerpo       | Carbono          |

| Item         | GAUGE 40MM-V    |
|--------------|-----------------|
| Caja         | 40mm            |
| Rosca        | 1/8 BSPT        |
| Escala (Bar) | 0-4, 0-10, 0-16 |
| Cuerpo       | Carbono         |

| Item         | GAUGE 50MM-V    |
|--------------|-----------------|
| Caja         | 50mm            |
| Rosca        | 1/4 BSPT        |
| Escala (Bar) | 0-4, 0-10, 0-16 |
| Cuerpo       | Carbono         |

| Item         | GAUGE 63MM-V-G-I                                          |
|--------------|-----------------------------------------------------------|
| Caja         | 63mm                                                      |
| Rosca        | 1/4 BSPT                                                  |
| Escala (Bar) | 0-10, 0-16, 0-20, 0-25, 0-100, 0-160, 0-200, 0-250, 0-400 |
| -            | (Manómetro con glicerina)                                 |
| Cuerpo       | INOX                                                      |
